

Opening day decided for 'FLIGHT OF DREAMS', Centrair's new commercial complex

Central Japan International Airport is proud to announce that FLIGHT OF DREAMS, the new commercial complex with the first-ever Boeing 787 Dreamliner in its centre, will be opening its doors on October 12th, 2018.

FLIGHT OF DREAMS complex is composed by a commercial area open for everyone and a fee required exhibition and contents area. More information will be updated approaching the opening day.
