

Duty Free Area Renewal -Opening day decided-

Central Japan International Airport is renewing the Centrair Duty Free Cosmetics and Fashion Area located on the 3rd floor in the International Boarding Gate area (passed security) since November 2018.

The opening dates for the Duty Free Area and the new cosmetic boutique have been set on April 25th (Thursday) for the first and, February 7th for the second.

With this renewal, the first full renewal since the airport was inaugurated; we want to improve the connection in between boutiques and the Duty Free Area, and create a better shop-around experience for our customers.
