

SKYTRAX' s Customer Service International Airport Rating World's Best Regional Airport for 5 years

Chubu Centrair International Airport has been awarded as "The World's Best Regional Airport" in the World Airport Awards 2019, an international airport ranking by the company SKYTRAX.

Our airport has been the No.1 Regional Airport for 5 consecutive years and Best Regional Airport in Asia for 9 consecutive days. The airport cleanliness was especially well valued in the survey.

This year's rating was decided through a customer satisfaction survey to the airport visitors held from August 2018 to February 2019, where customers from more than a 100 nationalities were surveyed.

The award ceremony was held at London where Masanao Tomozoe, President & CEO of Central Japan International Airport Co., Ltd. commented "We deeply appreciate the high evaluation given by our customers. Even though there are still some points to be improved, with the opening of our new terminal this year's September 20th the entire airport will be working together to achieve further heights and become the airport chosen by even more customers."
