

World's Best Regional Airport for 6 years In SKYTRAX's Customer Service International Airport Rating

Chubu Centrair International Airport has been awarded as world's best Airport in the categories of "Regional Airport", "Regional Airport Asia" and "10-20 million passengers airport" in the World Airport Awards 2020, an international airport ranking by the company SKYTRAX.

Our airport has been the World Best Regional Airport for 6 consecutive years, "Best Regional Airport in Asia" for 10 consecutive years and "World Best 10-20 million passengers' airport" for 5 consecutive years.

This year's rating was decided through a customer satisfaction survey among the airport visitors where customers from more than a 100 nationalities were surveyed about 550 airports.

We would like to thank all the travellers who have used Chubu Centrair. "Team Centrair" will continue to make every effort to maintain the safety of our airport to create a place that travellers can enjoy with peace of mind.

The awards ceremony is usually held in Europe every year, but this year's awards ceremony was canceled to prevent the spread of novel coronavirus infections.
