

World's Best Regional Airport for 7 years In SKYTRAX's Customer Service International Airport Rating

Chubu Centrair International Airport has been awarded as World's Best Airport in the categories of "Regional Airport *1", "Regional Airport Asia" and "2-5 million passengers airport" in the World Airport Award 2021, an international airport ranking by the company SKYTRAX.

Our airport has been the "World Best Regional Airport" for 7 consecutive years, "Best Regional Airport in Asia" for 11 consecutive years, "World Best 2-5 million passenger airport" for 6 consecutive years. In the volume of passenger category, we had awarded in the category of airports with 10 to 20 million passengers for five consecutive years until last year, but this time we have received the first prize in the category of airports with 2 to 5 million passengers.

In addition, we have been received the "COVID-19 Airport Excellence Awards", which are newly established this year to evaluate measures against new coronavirus infections.

This evaluation was determined through customer satisfaction survey among the airport visitors from more than 100 nationalities.

We would like to thank all the travellers who have used Chubu Centrair. "Team Centrair" will continue to make every effort to maintain the safety of our airport to create a place that travellers can enjoy with peace of mind.
